# WINTER CAMP

## Info

Dear Students and Parents,

Thank you for your interest in our winter camp. I am really looking forward to the time of fellowship and teaching with our students. I wanted to share with you two major reasons why retreats and camps are so important to me and our ministry.

First, seasonal retreats and camps give added time with the students and leaders. Our weekly ministries are typically constrained to small windows of time. This not only limits my interaction with all of our students but also limits the depth of conversations. The added time at retreats and camps often leads to deeper conversations.

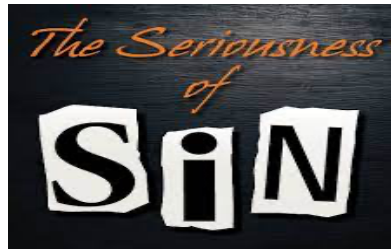

Secondly, camps and retreats often serve as major milestones or bench marks for students. Not only are they more likely to remember one of these events verses a regular Wednesday night service, things they have been learning for quite a while often come to a head. This could mean initial faith in Christ or continued growth in the Lord.

While weekly ministries serve as the backbone of a healthy youth ministry, retreats and camps have a very significant and important place.

Pastor John

Students, grades 7th-12th, come join Parker Bible Church, Cross and Crown Church, Southside Bible Church, and Parker Hills Bible Fellowship for a jam packed weekend of teaching and activities. Our four churches have partnered together for this event because we share common commitments to expository preaching, discipleship, and rich conservative theology. Youth Pastors from all four churches will preach during the weekend and worship will be led by Cross and Crown Church.

### Theme: The Sinfulness of Sin

Our theme for 2025 is the "Sinfulness of Sin." This topic is of timeless importance for both believer and unbeliever. Every unbeliever will be called to consider sin and the avenue God has laid for forgiveness from it. But this is not just an evangelistic topic. Christians spend the rest of this earthly life battling sin and longing for final victory over it. There will be several sermons covering these topics as well.

### NEW LOCATION!

For many years our Winter Camp has been held at Ponderosa Camp Grounds. Due to the increased size of our group, we will be going to a new camp ground in 2025. Golden Bell is just outside of Woodland Park and will better accommodate our growing group. You can check out the camp ground at [www.goldenbellccc.org](http://www.goldenbellccc.org).
